CAMPUS WATCH ALERT UPDATE

On September 16, 2009, The University of Arizona Police Department began a Bicycle Safety and Education Campaign to inform community members on bicycle traffic law, safety and theft prevention. As we enter the third week of this campaign we are pleased to have had the opportunity to spread the message concerning the importance of following bicycle traffic laws to numerous bicyclists on campus.

During this campaign, the University of Arizona Police Department in cooperation with Parking and Transportation has begun a heightened enforcement period focused on bicycle traffic violations.

If you are bicycling we encourage you to educate yourself concerning bicycle laws, safety and theft prevention. The University of Arizona Police Department will be at the following location to provide information on this topic:

October 1, 2009 (Thursday): 10:00 a.m. – 2:00 p.m. (Olive/2nd)
